

Proposed Temporary Traffic Regulation Order - The Causeway, Milborne St Andrew

Dear Sir /Madam

We are proposing to implement a temporary road closure on The Causeway, Milborne St Andrew between 30th May 2017 and 2nd June 2017. It is proposed that The Causeway, Milborne St Andrew will be closed 24 hours a day, residents will have access, the detail of the affected section is highlighted on the attached plan. This is to enable us to carry out drainage maintenance.

This letter is to both inform you of our intentions and to invite you to highlight any areas of concerns you may have as a result of our proposals. Whilst the road closure is in place a locally signed diversion route will be put in place to inform the travelling public and enable them to travel around the closed section.

If you do have any concerns please contact us (using the contact details below). We will fully consider any suggestions you may have. It is our intention to minimise inconvenience and will work with the local community to ensure this is achieved in the most efficient manner.

When the Temporary Traffic Regulation has been made we will contact you again with the definitive dates and arrangements for the works.

Yours Faithfully
